Inspiring thought. Shaping talent.

INTERNAL & EXTERNAL ADVERTISMENT

DIVISION: Faculty of Management Sciences	**DEPARTMENT:** Logistics and Supply Chain Management

POST: Part Time Lecturer X8: Business Management / Entrepreneurship / Logistics and Supply Chain Management	**POST Nº: 0195** **PEROMNES GRADE:** 08

JOB DESCRIPTION:

The Vaal University of Technology (VUT) invites suitably qualified, experienced and industry-oriented individuals to apply for eight (8) Part-Time Lecturer positions in the Faculty of Management Sciences, in the fields of Business Management, Entrepreneurship, and Logistics and Supply Chain Management.

Successful candidates will contribute to the delivery of quality teaching and learning through the development of learning materials, lecturing, preparation of learner guides and assessments, and supporting students' academic development. They will also be expected to engage with industry and professional bodies, participate in community projects, contribute to departmental and faculty activities, and undertake relevant academic and administrative responsibilities.

Key performance areas include but are not limited to:

- Develop learning material;
- Lecture Business Management; Entrepreneurship and/or Logistics related subjects;
- Assist with the preparing of learner guides and assessments;
- Liaise with industry, professional bodies, and other educational institutions;
- Participate in community projects;
- Contribute to the management of the department;
- Attend departmental and faculty meetings
- Manage personal, departmental and academic administration.
- Undertake departmental delegations

APPLICATION CRITERIA:

Qualifications and Experience:

- An appropriate master's degree in Logistics and Supply Chain Management; Master's degree in Business Management or any other Business Management related Master's degree; Master's degree in Entrepreneurship and/or evidence of significant progress towards achieving a Master's degree qualification is a requirement.

- Minimum of two years of lecturing experience at an institution of higher learning on blended learning mode (face-to-face and online using Blackboard) or one year lecturing experience coupled with three years of relevant industry experience is a requirement.
- Evidence of research publications with DHET accredited journals is an added advantage.
- Membership of professional bodies/societies is an added advantage.
- A higher education teaching qualification and/or evidence of significant progress towards achieving one is an added advantage.

Skills:

Excellent communication (written and verbal) skills, excellent teaching/facilitation and presentation skills, excellent planning and organising skills, good interpersonal and time-management skills, problem-solving skills, computer literacy, initiative, and the motivation to work without extensive supervision.

CLOSING DATE FOR APPLICATIONS: 04 December 2026

Applications should include:

1. A fully completed prescribed application form which can be obtained from: www.vut.ac.za
2. A detailed curriculum vitae (explicitly stating experience or knowledge in the above-mentioned fields)
3. Certified copies of all academic records and certificates/degrees
4. Certified copy of ID
5. Current contact information of referees
6. Please email applications to recruitment2@vut.ac.za and quote the post reference and post description in the subject line.
7. No manual applications will be accepted. Incomplete applications or applications without the application form and required documents will be disregarded.
8. Only applications made on our application for employment form would be considered.
9. Communication will be entered into with short-listed candidates only. If you don't hear from VUT within 3 months deem your application as unsuccessful.

Please Note: Submission of such copies entitles Vaal University of Technology to authenticate the qualifications without any further consent from the applicant. Candidates with foreign qualifications must submit a SAQA certificate of evaluation. Vaal University of Technology is an equal opportunity and affirmative action employer, which is committed to the implementation of its employment equity plan. People from designated groups are encouraged to apply. Only shortlisted candidates will be contacted.

VUT reserves the right not to make an appointment

By applying for this position, you give permission to share your information with the selection panel or the relevant people involved in the recruitment process.
