**Subject:** **Update on the phasing out of sites of delivery**

---

### **1 BACKGROUND**

The Sites of Delivery Committee was established by the Executive Management Committee (ManCom) during 2019 to oversee the successful completion and closure of the VUT sites of delivery in Ekurhuleni, Upington and Secunda. The first campus to be closed successfully is Ekurhuleni which was closed at the end of 2020. In this regard, all the staff, students and the University assets were transferred to the Vanderbijlpark Campus.

The VUT Ekurhuleni campus has therefore, been closed with effect from January 2021 and the remaining two campuses i.e., Upington and Secunda are in the process of being phased out with the campus closures taking effect at the end of 2022. After 2022 VUT will be consolidated into two campuses i.e., Vanderbijlpark and Sebokeng.

Kind regards
