## **STUDENT CIRCULAR 1–CAPTURING OF BANKING DETAILS ON ITS iEnabler**

Dear Student

Compliments of the new year and a warm welcome to all maVUTi joining the university in 2025. We wish you a pleasant experience at VUT.

Students funded by the National Student Financial Aid Scheme (NSFAS) and private donors will receive the books and meal allowances on their personal bank account. The allowances will be paid directly to the student bank accounts after the banking details verification is finalised.

Students are urged to capture their banking details on the ITS iEnabler. The allowances will be disbursed after the registration processes are concluded or upon receiving the payments from the sponsors.

Students must ensure the following:

- Capture correct personal banking details,
- Ensure the bank account is active,
- Upload a 3-month-old bank confirmation letter,
- Upload a certified ID copy.

**Students are advised not to share the ITS/iEnabler login credentials with anyone.**

**NB:**

- The Financial Aid Office will not disburse any allowances to the next of kin, friend or roommate.
- Students are advised not to use Tyme and Discovery banks due to inadequate security measures when opening the bank account.

The Finance team wishes you the best in your studies.
