

Accreditation Application Form

WORK-INTEGRATED LEARNING (WIL)

Ensure that all responses relate to the relevant mode(s) of provisioning.

1. Indicate the type/s of WIL in the programme / qualification.

Provide the following information if the programme / qualification includes **any form** of work-integrated learning (WIL). Note that there can be various forms of WIL such as workplace-based learning, practicum placements, problem-based learning, project-based learning, service-learning, virtual or simulated WIL learning and so on.

| 2. If relevant, indicate the institution's role and responsibility in the placement of students in a workplace-based environment. 3. Explain the process for the supervision and monitoring of WIL (in the case of workplace-based learning). Discuss how the institution will ensure parity of learning experiences and assessments across workplace sites. 4. Where workplace-based learning takes place across a number of years, indicate the learning outcomes and assessment criteria for each period in the year of study and discuss how the learning outcomes will be assessed.
