

**OFFICIAL NOTICE: FIRST-YEAR RESIDENCE ACCOMMODATION SIGN-IN FOR THE
2026 ACADEMIC YEAR**

The Department of Student Accommodation and Catering (SAC) hereby informs all first-year students of the Vaal University of Technology (VUT) that residence accommodation sign-in for the 2026 academic year will commence as follows:

1. Residence Sign-In Commencement

First-year students who have:

- Successfully completed their online academic registration, and
- Successfully completed their residence registration online.

may proceed with residence accommodation sign-in from Friday, 23 January 2026, including the weekend.

SAC and Residence Management teams will be available during this period to receive registered students, verify accommodation offers, and facilitate official residence sign-in.

2. Eligibility

Only students who meet the following criteria will be assisted:

Confirmation of online academic registration via the official VUT Student Portal; and
• **A valid VUT residence accommodation allocation.**

Students must present:

- **Proof of residence registration;**
- **Proof of academic registration; and**
- **A copy of a valid identity document.**

Students who have not completed online registration or who have not received an accommodation offer will not be permitted to sign in/ **or move in.**

3. Required Information for Accommodation Registration

To ensure a seamless and efficient accommodation registration process, students are required to present the relevant documentation and information at the time of residence sign-in.

Students are strongly advised to verify the full and most up-to-date list of required information and documentation on the official VUT website under the **Residence Check-In and Student Accommodation** Residence section before arriving on campus.

Failure to present the required information may delay or prevent successful accommodation registration.

4. Official Communication

Students and parents are reminded that all residence-related processes are managed exclusively through official VUT systems and communication channels. No third party or individual is authorised to facilitate or influence residence sign-in.

Student Accommodation and Catering remains committed to ensuring an orderly, transparent, and student-centred residence onboarding process. We look forward to welcoming eligible first-year students into VUT residences for the 2026 academic year.
