TRANSFORM RESEARCH INTO REAL-WORLD IMPACT

Join a high-impact workshop designed to equip researchers with practical tools to commercialize innovation and align academic work with market and societal needs.

Led by Mr. Kgomotso Lekola, an industry leader and CEO of BT Industrial Group, this session offers strategic insight grounded in real-world experience, from someone who has built and scaled African manufacturing success through action, execution, and measurable results.

 **11 - 14 May 2026**

 **08:30 - 16:30**

 **VUT Conference Center**
Curie Boulevard, Vanderbijlpark
