To: **All Students – Vaal University of Technology**
CC: **SRC**
From: **Management Committee**
Date: **09 November 2026**
Subject: **Resumption of examinations on Wednesday, 11 November 2026**

Vaal University of Technology (VUT) wishes to inform all students that electricity supply has been restored following the widespread power outage affecting Vanderbijlpark.

Examinations will resume on Wednesday, 11 November 2026. All remaining examinations will shift two days later than their originally scheduled dates, retaining the same order.

This means that:

- Examinations originally scheduled for **Monday, 9 November 2026**, will be written on **Wednesday, 11 November 2026**.
- Examinations originally scheduled for **Tuesday, 10 November 2026**, will be written on **Thursday, 12 November 2026**.
- All subsequent examinations will follow in the same order, **two days later than originally scheduled**.

The revised timetable will be uploaded to the ITS system. Students are urged to check the system regularly for updates and confirm their examination dates, times and venues.

We apologise for the disruption and confusion. Thank you for your patience during this period.

We wish all students success in their examinations. Stay focused and approach each paper with confidence.
